CS student (Colorado State, May 2028) and paid web developer seeking a Summer 2027 software engineering internship. Builds full-stack apps in JavaScript/TypeScript, Java, C++ and Ruby with Claude Code; former rafting trip lead and STEM instructor.

Technical Skills

- **Languages**: JavaScript, Java, C++, Ruby, TypeScript, C, SQL, Python, HTML/CSS
- **Frameworks**: React, Ruby on Rails, Spring Boot, Sinatra, SvelteKit, Astro, Next.js, NestJS, Tailwind CSS
- **Tools**: PostgreSQL, Git, GitHub Actions, Docker, Linux, Vercel, JUnit, Mockito, Postman, Vitest, Playwright, Claude Code

Education

Colorado State University — **Fort Collins, CO**
B.S. in Computer Science (in progress, expected May 2028); CSU Green & Gold Scholarship — *Aug 2026 - May 2028*

Front Range Community College — **Fort Collins, CO**
Associate of Science, with Honors — *Aug 2024 - May 2026*

Coursework: Software Engineering, Computer Architecture, C++ Development, Data Structures (Java), Linear Algebra

Projects

Habit Bingo — **Live site** | **GitHub**
SvelteKit, TypeScript, PostgreSQL, Claude Code — *Sep 2026 - Present*
- Built a habit-tracking game for friend groups with Claude Code, using design specs and 6 ADRs across 92 PRs
- Postgres (Neon) + Drizzle, Google OAuth with rate limiting; 79 Vitest/Playwright test files in GitHub Actions CI

Assembler & Virtual Machine — **GitHub**
C — *Sep 2025 - Dec 2025*
- Encodes assembly to binary in simulated memory and runs it; added jumps, I/O, loops and functions over 9 milestones

Trip-Planning Server (CS314 Team Project) — **Colorado State University**
Java, Spring Boot — *Aug 2026 - Present*
- Shipping a REST API in a 5-person Scrum team via peer-reviewed pull requests and CI/CD; JUnit, Mockito, Postman tests

Experience

A1 Wildwater — **Fort Collins, CO**
Web Developer (Part-Time) — *Aug 2026 - Present*
- Rebuilding the WordPress site in Astro/TypeScript with SEO/GEO/AEO and a redesigned booking flow to grow bookings

Front Range Community College — **Fort Collins, CO**
Computer Science Teaching Assistant — *Jan 2026 - May 2026*
- Helped about 20 Computer Architecture students build and debug C assembler projects; led some class lessons

iD Tech & Freelance — **Remote**
Private / Group STEM Instructor — *May 2022 - Present*
- Taught 300+ lessons to 50+ students aged 8-18 in programming, game and web development; designed custom curricula

A1 Wildwater — **Fort Collins, CO**
Whitewater Rafting Guide & Trip Lead (Seasonal) — *May 2024 - Present*
- Guided 1,000+ river miles; as trip lead, run trips of up to 50 guests and 7 guides, including safety briefings and rescues

REI — **Fort Collins, CO**
Outdoor Sports Sales Specialist — *Oct 2024 - Present*
- Nominated for REI's Anderson Award (Sep 2026); earned a performance raise for membership and donation sales

Leadership & Certifications

Secretary, Northern Colorado Grotto (NSS), 2023 - Present **Certs**: Flatiron Software Engineering, Swiftwater Rescue, WFR, CPR/AED
